IMPORTANT INFORMATION

Yard Waste Pick-Ups: Every Monday (except on a Holiday). Please call the Service Department the week prior to schedule the pick-up.

Special Pick-Ups: Every Monday (except on a Holiday). Please call the Service Department the week prior to schedule the pick-up. This service should be utilized for over-sized items that cannot be picked up with your regular trash. Every resident receives one (1) **free** special pick-up and one (1) additional pick-up for **\$25.00**, per year. One pick-up = one truck load. Construction Materials will not be picked up by the Service Department; contractors/homeowners are responsible for disposing of any construction material or debris. Property owners are also solely responsible for the collection and disposal of any solid waste or materials left by a vacating tenant.

Chipping Weeks: The Third Full Week of the Month from April through October. Place items to be chipped (bundled in 4 foot lengths and tied with string) at the curb the Sunday evening before the Chipping Week. The Service Department will make their way through the entire Village throughout that week. The first 15 minutes are provided at no charge; additional time will be charged at a rate of \$30.00 for each 15 minutes over the allotted time.
