Suggested activities for the event will include a hayride provided by the Service Department, face painting, scavenger hunt, candy, games, and crafts. Commission members were asked for candy donations to be dropped off with Sherri Arrietta at Village Hall by Monday, October 24th.

Ms. Dewey and Mrs. Wyatt will work together on finalizing all details. All Commission members were invited to attend the event for volunteer assistance.

An announcement for the event will be posted on Shayna Sharpe's website.

Moreland Hills Historical Society: Mrs. Geck

Mrs. Geck expressed her appreciation for the stone outline of the original cabin which was installed by the local Boy Scout Troop. New signs for the site are still in the design phase. A new brochure holder has been installed. The Cabin is closed for the winter.

Head for the Hills Wrap Up: Mr. Friedman

Mr. Friedman provided a preliminary summary of this year's event. There was a total of 132 entrants this year, 83 for the 5K and 49 for the Hike. The silent auction generated about \$1400. Gross income is approximately \$13K-\$14K. The estimated net income is only slightly higher than last year due to the purchase of larger promotional signs and a larger quantity of shirts.

There were no participants in the Family Fun Run/Walk event. It was suggested that this event be dropped for next year. As an alternative, we will consider establishing a family entry fee for the Hike.

Sneaker Donations:

There were no sneaker donations for the More Foundation Group.

Mr. Czayka left the meeting at approximately 6:30 PM.

More in the Hills:

It was suggested that this event continue over the winter months in the Community Building. More discussion is needed for this idea.
