Moreland Hills Police Department staff will be on hand to communicate information regarding activity in the area, programs, recent events and to answer your questions.

A key topic for discussion is the opiate problem currently facing the entire country. Chief Wyant has invited Richard Neff, Cuyahoga County Assistant Prosecuting Attorney, Supervisor – General Felony Unit, and Cuyahoga County Sheriff’s Deputy, Scott Vargo, assigned to an Opiate task force, to provide information and answer questions regarding this serious issue.

This will be a great opportunity to get the latest information and learn about some of the programs and measures being taken to help combat the opiate problem.

We look forward to seeing you!
